Letter from Mrs. Buckley

Dear Class of 2023,

What an honor it is to cheer you on as you build a strong legacy of academic achievement and incredible character. Your class has had an interrupted high school experience due to the pandemic, but that didn't stop you from bringing joy and rebuilding our community the moment you returned to school. You took the transition back to school your junior year in stride and never looked back. We brought back all the events and community that we missed so dearly, and we organized and held our first homecoming week under your leadership. You sustained a tradition of resilience, excellence, and achievement that embodies Reading Memorial High School.

As you leave RMHS and head to your next adventure, remember to take chances and opportunities that come your way. You have a community of staff, families, and students that care deeply about you and can't wait to see what you do with your potential. You have such a bright future ahead of you, and the sky's the limit!

Class of 2023, you are my first class to ever graduate from RMHS.
I will never forget your zest and spark. Keep shining bright and make it happen!

Letter from the Editors

Dear Class of 2023,

Time flies by, and soon the year 2023 will feel like the distant past. But, even if we can't remember everything in twenty or thirty years, hopefully, we can use this book to recall all the special memories from high school that shouldn't be forgotten.

We would like to thank Mrs. Jorgenson, without whom we wouldn't have the yearbook at all. Her countless hours of finding pictures and organizing pages should not go unnoticed.

We would also like to thank the rest of the yearbook staff who uploaded, organized, and double-checked names, as well as everyone who helped by sending in pictures. This book would not have been completed without you!

We can't wait to reminisce about our time here at RMHS, but are even more excited to discover everyone's bright futures. Best of luck to the Class of 2023!

From,
The Editors-in-Chief

Junior Prom

Hosted at the Danversport Yacht Club, our junior prom was definitely a night to remember. There was good food, lots of dancing, and some ripped pants. Most people were dismissed from school promptly at 12 to get themselves ready in time for the school buses that left at 6:15pm. Sent off by Cooper the Comfort Dog, everyone looked great in fancy dresses and tuxes. Our chaperones were some of our favorite teachers, including a brief appearance from Mr. Bosco. The dance ended at 10, "Mr. Brightside" playing as the final song of the dance. Despite it being a Wednesday night, our junior prom was a lot of fun.
